The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
Los Angeles, California 90012

Dear Supervisors:

**APPROVE AGREEMENT FOR EQUIPMENT
MAINTENANCE, REPAIR, AND SUPPORT SERVICES
WITH AUTOMED TECHNOLOGIES, INCORPORATED
(ALL DISTRICTS) (3 VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve and instruct the Chair of the Board of Supervisors to sign the attached agreement with Automated Technologies, Incorporated (Automed), for a term of five (5) years, and thereafter, a six (6) month option, in any increment. The agreement with Automed will provide maintenance, repair, and support services to the Los Angeles County Sheriff's Department (Department).
2. Authorize the Sheriff, or his designee, to execute applicable documents when the original contracting entity has merged, been purchased, or otherwise changed; and to modify the agreement within the conditions specified in the agreement, including authority for the Sheriff to exercise the above extension provisions, if it is in the best interest of the County, or add additional machines to this maintenance agreement and purchase software updates and enhancements and increase the Maximum Contract Sum solely for these purposes.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended actions is to provide full service preventative maintenance and as-needed repair and support services for the automated drug packaging machines in the Department's Correctional Services Division, Medical Services Bureau.

A Tradition of Service

Implementation of Strategic Plan Goals

The services provided under this agreement support the Los Angeles County Strategic Plan, specifically Goal 1, Service Excellence, being responsive to the needs of our service communities; Goal 2, Workforce Excellence, providing the most efficient service; Goal 3, Organizational Effectiveness, enhancing the effectiveness of drug packaging machines; and Goal 4, Fiscal Responsibility, obtaining services at a cost effective rate.

FISCAL IMPACT/FINANCING

The Maximum Contract Sum for this agreement is \$501,600 for the entire term including the extensions. This amount includes \$80,000 for the first year of service and allows for an annual increase at the request of Automed as described below. The Maximum Contract Sum also includes contingency amounts for service exclusions. The agreement authorizes the Sheriff, with the concurrence of County Counsel, to increase the Maximum Contract Sum solely for the purpose of purchasing software updates and enhancements that result in substantially improved performance, or coverage for additional machines in the future.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The approval of this agreement is necessary to maintain and service the existing seven machines and to authorize the Sheriff to purchase software updates and enhancements, and if necessary, add other machines as their warranties expire. The existing contract is determined to be a sole source because only Automed service personnel receive the maintenance/training specifically stated in all purchase and license agreements and in all system maintenance agreements as the only authorized representative who can conduct service work on their systems. Under this agreement, the contractor will not be asked to perform services which exceed the scope of work or contract amount.

Automed is in compliance with all Board, Chief Executive Office, and County Counsel requirements, including the Jury Service Program, the Child Support Compliance Program, and the Safely Surrendered Baby Law.

The approval of this agreement will allow the contractor, at its option, to revise the annual and hourly rates by providing the County with written notice thereof, not later than sixty (60) days prior to the end of the then-current contract year. Such revised rates shall be initiated upon the effective date of the commencement of the succeeding contract year.

The Honorable Board of Supervisors
April 1, 2008
Page 3

The annual adjustment may in no event exceed the aggregate increase in the Consumer Price Index, U.S. City Average for Urban Wage Earners and Clerical Workers (CPI-W), Medical Care (not seasonally adjusted), as published by the U.S. Department of Labor, for the 12 months preceding the determination of such adjustment.

The agreement includes employee and independent contractor confidentiality agreements that are substantially similar to the standard County agreements, and a Business Associate agreement under the Health Insurance Portability and Accountability Act (HIPAA).

The agreement has been reviewed and approved as to form by County Counsel.

CONTRACTING PROCESS

This is a sole source agreement. The drug packaging machines along with the dedicated servers and workstations are unique to Automed. Originally the machines had warranties to cover any service and maintenance but those warranties have since expired. Automed is the only authorized representative who can conduct service work on these systems.

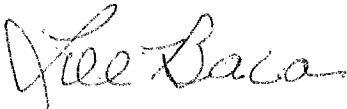

IMPACT ON CURRENT SERVICES

Approval of this agreement will ensure that Medical Services Bureau will be able to repair the machines that currently need maintenance and those requiring regular preventative maintenance. By ensuring the machines remain operational, we will improve efficiency in providing patient specific drug packaging.

CONCLUSION

Upon approval and execution of the agreement by your Board, please return four (4) adopted copies of this action to the Department's Contracts Unit for further processing.

Sincerely,

LEROY D. BACA
SHERIFF

9.1 Notwithstanding any other provision of this Agreement, either expressly or by implication, County shall not be obligated for Contractor's performance hereunder or by any provision of this Agreement during any of County's

ADDITIONAL TERMS AND CONDITIONS

The following additional terms and conditions are applicable to, and form a part of, the Agreement. Capitalized terms not otherwise defined in this Exhibit A (Additional Terms and Conditions (as used in this Exhibit A (Additional Terms and Conditions), this "Exhibit") have the meanings given to such terms in the base document of the Agreement.

1.0 SUBCONTRACTING

1.1 General

County has relied, in entering into the Agreement, on the reputation of and on obtaining the personal performance of Contractor itself. Consequently, no performance of the Agreement, or any portion thereof, shall be subcontracted by Contractor except in accordance with the procedures set forth in this Paragraph 1.0 (Subcontracting). Any attempt by Contractor to subcontract any performance, obligation, or responsibility under the Agreement, except in accordance with the procedures set forth in this Paragraph 1.0 (Subcontracting), shall be null and void and shall constitute a material breach of the Agreement, upon which County may immediately terminate the Agreement.

1.2 Procedure for Subcontracting

If Contractor desires to subcontract any portion of its performance, obligations, or responsibilities under the Agreement to any subcontractor, Contractor shall adhere to the following procedures.

- 1.2.1 Contractor shall notify the County Project Director of its desire to subcontract a portion of the Work, which notice shall include the reason for the proposed subcontract, and a description of the Work to be performed under the proposed subcontract.
- 1.2.2 The identity of such subcontractor and why such subcontractor was selected.
- 1.2.3 A certificate of insurance from the proposed subcontractor which establishes that the subcontractor maintains all the programs of insurance required by the Agreement.
- 1.2.4 If the proposed Work is to be performed by a subcontractor, then in addition to the foregoing, Contractor shall provide:
 - i. A draft copy of the proposed subcontract. The material provisions of any approved subcontract between Contractor and a third party may be changed or amended, as applicable, only with the prior

written approval of the County Project Director, which approval shall not be unreasonably withheld; and

- ii. Any other information and/or certifications reasonably requested by County.

The County Project Director will review Contractor's request to subcontract and determine, in his discretion, whether or not to consent to such request on an individual basis. Without limiting in any way County's prior approval rights, Contractor shall deliver to the County Project Director a fully executed copy of each subcontract entered into by Contractor pursuant to this Subparagraph 1.2.4, on or immediately after the effective date of the subcontract but in no event later than the date any Work is performed under the subcontract.

- 1.2.5 Contractor shall obtain an executed Confidential Disclosure Agreement for Independent Contractors in a form substantially similar to that appearing in Exhibit E1 for each of subcontractor's employees performing Work under the subcontract.

1.3 Contractor Responsibilities.

- 1.3.1 Notwithstanding any County consent to any subcontracting, Contractor shall remain responsible for any and all performance required of it under the Agreement, including the obligation properly to supervise, coordinate, and perform, all Work required hereunder, and no subcontract shall bind or purport to bind County. Further, County approval of any subcontract shall not be construed to limit in any way Contractor's performance, obligations, or responsibilities, to County.
- 1.3.2 In the event that County consents to any subcontracting, such consent shall be subject to County's right to reject any and all subcontractor personnel providing services under such subcontract.
- 1.3.3 In the event that County consents to any subcontracting, Contractor shall cause the subcontractor, on behalf of itself, its successors and administrators, to assume and be bound by and shall be deemed to have assumed and agreed to be bound by each and all of the provisions of the Agreement and any amendment hereto as it relates to or affects the Work performed by subcontractor hereunder.
- 1.3.4 Contractor shall be solely liable and responsible for any and all payments and other compensation to all subcontractors and their officers, employees, and agents. County shall have no liability or responsibility whatsoever for any payment or other compensation for any subcontractors or their officers, employees, and agents.

2.0 DISPUTE RESOLUTION PROCEDURE

2.1 General

Contractor and County agree to act immediately to resolve mutually any disputes that may arise with respect to the Agreement. All such disputes shall be subject to the provisions of this Paragraph 2.0 (Dispute Resolution Procedure) (such provisions are collectively referred to as the "Dispute Resolution Procedures"). Time is of the essence in the resolution of disputes.

2.2 Continued Work

Contractor and County agree that, the existence and details of a dispute notwithstanding, both parties shall continue without delay their performance hereunder, except for any performance, other than payment by County for approved Work, that the parties mutually determine should be delayed as a result of such dispute.

2.2.1 If Contractor fails to continue without delay its performance hereunder that County, in its reasonable discretion, determines should not be delayed as a result of such dispute, then any additional costs which may be incurred by Contractor or County as a result of Contractor's failure to continue to so perform shall be borne by Contractor, and Contractor shall make no claim whatsoever against County for such costs; provided, however, that all such additional costs must be commercially reasonable, necessary, documented in writing, and subject to the approval of Contractor which will not be unreasonably withheld. Contractor shall promptly reimburse County for such County costs.

2.2.2 If County fails to continue without delay to perform its responsibilities under the Agreement which Contractor, in its reasonable discretion, determines should not be delayed as a result of such dispute, then any additional costs incurred by Contractor or County as a result of County's failure to continue to so perform shall be borne by County, and County shall make no claim whatsoever against Contractor for such costs; provided, however, that all such additional costs must be commercially reasonable, necessary, documented in writing, and subject to the approval of County which will not be unreasonably withheld. County shall promptly reimburse Contractor for all such additional Contractor costs.

2.3 Dispute Resolution Procedures

In the event of any dispute between the parties with respect to the Agreement, Contractor and County shall submit the matter as follows:

- 2.3.1 Contractor and County shall first submit the matter to their respective Project Managers for the purpose of endeavoring to resolve such dispute.
- 2.3.2 If the Project Managers are unable to resolve the dispute within a reasonable time, not to exceed five (5) Business Days from the date of submission of the dispute, then the matter immediately shall be submitted to the parties' respective Project Directors for further consideration and discussion to attempt to resolve the dispute.
- 2.3.3 If the Project Directors are unable to resolve the dispute within a reasonable time not to exceed five (5) Business Days from the date of submission of the dispute, then the matter shall be immediately submitted to Contractor's president or chief operating officer and the Sheriff of the County of Los Angeles. These persons shall have five (5) Business Days to attempt to resolve the dispute.
- 2.3.4 In the event that at these levels, there is not a resolution of the dispute acceptable to both parties, then each party may assert its other rights and remedies provided under the Agreement and its rights and remedies as provided by law.

2.4 Documentation of Dispute Resolution Procedures

All disputes utilizing the Dispute Resolution Procedure shall be documented in writing by each party and shall state the specifics of each alleged dispute and all actions taken. The parties shall act in good faith to resolve all disputes. At all three (3) levels described in Subparagraph 2.3 (Dispute Resolution Procedure), the efforts to resolve a dispute shall be undertaken by conference between the parties' respective representatives, either orally, by face-to-face meeting or by telephone, or in writing by exchange of correspondence.

2.5 Not Applicable to A Party's Right to Terminate

Notwithstanding any other provision of the Agreement, each party's right to terminate the Agreement pursuant to Paragraph 4.0 (Termination for Insolvency), Paragraph 5.0 (Termination for Default), and the County's right to terminate the Agreement pursuant to Paragraph 6.0 (Termination for Convenience), or Paragraph 7.0 (Termination for Improper Consideration), in each case, of this Exhibit, or any other termination provision hereunder, shall not be subject to the Dispute Resolution Procedure. The preceding sentence is intended only as a clarification of each parties' rights, and shall not be deemed to impair any claims that a party may have against the other party or a party's right to assert such claims after any such termination or such injunctive relief has been obtained.

3.0 CONFIDENTIALITY

3.1 General

Both parties shall maintain the confidentiality of all records and information, events or circumstances which occur during the course of Contractor's performance under the Agreement, in accordance with all applicable Federal, State, and local laws, regulations, ordinances, guidelines, and directives relating to confidentiality. Contractor shall inform all of its directors, officers, shareholders, employees, and agents providing services hereunder of the confidentiality provisions of the Agreement and County shall do likewise with respect to its employees and agents. Contractor shall obtain an executed Confidential Disclosure Agreement for Employees in a form substantially similar to that appearing in Exhibit E1 for each of its employees performing Work under the subcontract. Notwithstanding anything herein to the contrary, each party acknowledges and agrees that it is responsible for any breach of the obligations of confidentiality set forth herein by any person or entity to whom it discloses such confidential information.

3.2 Disclosure of Information.

3.2.1 With respect to any confidential information obtained by a party pursuant to the Agreement, that party shall: (a) not use any such records or information for any purpose whatsoever other than carrying out the express terms of the Agreement or as otherwise permitted herein; (b) promptly transmit to the other party all requests for disclosure of any such records or information; (c) not disclose, except as otherwise specifically permitted by the Agreement, any such records or information to any person or organization other than other party without the other party's prior written authorization that the records are, or information is, releasable; and (d) at the expiration or termination of the Agreement, return all such records and information to the other party or maintain such records and information according to mutually agreed upon written procedures for this purpose.

3.2.2 Without limiting the generality of Subparagraph 3.2.1 of this Exhibit, in the event a party receives any court or administrative agency order, service of process, or request by any person or entity (other than that party's professionals which include, but is not limited to, its attorneys, accountants, consultants and other advisory personnel) for disclosure of any such details, that party shall immediately notify the other party. Thereafter, the party receiving the order, process or request shall comply with such order, process, or request only to the extent required by applicable law. The party receiving the order, process or request to disclose shall reasonably cooperate with the other party, at the later's sole expense, in an effort to obtain relief from such obligations to disclose.

3.3 Confidential Information

Any and all confidential or proprietary information which is developed or was originally acquired by a party outside the scope of this Agreement, which that party desires to use hereunder, and which that party considers to be proprietary or confidential, must be specifically identified by that party to the County Project Director or the Contractor Project Director, as the case may be, as proprietary or confidential, and shall be plainly and prominently marked by that party as "proprietary" or "confidential." A party shall undertake commercially reasonable efforts to maintain the confidentiality of materials marked by the other party as "proprietary" or "confidential." Notwithstanding any other provision of this Agreement, a party shall not be obligated in any way under this Agreement for:

- 3.3.1 Any of the other party's proprietary and/or confidential materials not plainly and prominently marked with restrictive legends;
- 3.3.2 Any disclosure of any materials which County or Contractor is required to make under the California Public Records Act or otherwise by law; and

3.4 Use of County Name

In recognizing Contractor's need to identify its services and related clients to sustain itself, County shall not inhibit Contractor from publishing its role under the Agreement within the following conditions:

- 3.4.1 Contractor shall develop all publicity material in a professional manner.
- 3.4.2 During the Term, Contractor shall not publish or disseminate any commercial advertisements, press releases, feature articles, or other materials using the name of County without the prior written consent of the County Project Director, which shall not be unreasonably withheld or delayed.
- 3.4.3 Contractor may, without the prior written consent of County, indicate in its proposals and sales materials that it has been awarded the Agreement with County, provided that the requirements of this Subparagraph 3.4 (Use of County Name) (other than the requirements set forth in Subparagraph 3.4.2) shall apply.
- 3.4.4 Notwithstanding anything herein to the contrary, County reserves the right to object to any unreasonable and unpermitted use of County's name in which case Contractor shall cure promptly and prospectively any such unreasonable and unpermitted use of County's name that has been objected to by County.

3.5 Injunctive Relief

Each party acknowledges that a breach by the other party of this Paragraph 3.0 (Confidentiality) may result in irreparable injury to the non-breaching party that may not be adequately compensated by monetary damages and that, in addition to the non-breaching party's other rights under the Agreement and at law and in equity, the non-breaching party shall have the right to injunctive relief to enforce the provisions of this Paragraph 3.0 (Confidentiality).

4.0 TERMINATION FOR INSOLVENCY

- 4.1 A party may terminate the Agreement immediately at any time following the occurrence of any of the following:
 - 4.1.1 The other party has ceased to pay or has admitted in writing its inability to pay its debts for at least sixty (60) days in the ordinary course of business or cannot pay its debts as they become due, whether or not a petition has been filed under the United States Bankruptcy Code and whether or not the other party is insolvent within the meaning of the United States Bankruptcy Code, provided that the other party shall not be deemed insolvent if it has ceased in the normal course of business to pay debts that it disputes in good faith;
 - 4.1.2 The other party's filing of a voluntary or involuntary petition (which involuntary petition is not dismissed within sixty (60) days) under the United States Bankruptcy Code;
 - 4.1.3 The appointment of a receiver or trustee for the other party; or
 - 4.1.4 The execution by the other party of a general assignment for the benefit of creditors other than in the course of arranging financial lines of credit.
- 4.2 The rights and remedies provided in this Paragraph 4.0 (Termination for Insolvency) shall not be exclusive and are in addition to any other rights and remedies provided at law or in equity, or under the Agreement.
- 4.3 Each party agrees that if it as a debtor-in-possession, or if a trustee in bankruptcy, rejects the Agreement, the other party may elect to retain its rights under the Agreement, as provided under Section 365(n) of the United States Bankruptcy Code (11 U.S.C. Section 365(n)). Upon written request to the other party or the trustee in bankruptcy, as applicable, the other party or such trustee shall allow the party to exercise all of its rights and benefits under the Agreement. The foregoing shall survive the termination or expiration of the Agreement for any reason whatsoever.

5.0 TERMINATION FOR DEFAULT

5.1 Event of Default

Either party may, upon written notice to the other, terminate the whole or any part of the Agreement if the other party materially fails to perform or provide any Work within the times specified in the Agreement, or the other party materially breaches or fails to perform or materially comply with any of the other provisions of the Agreement, including the applicable notice and cure periods, if any (if no cure period is specified in the Agreement, a party shall have thirty (30) days, or in the event of a financial breach fifteen (15) days, following written notice from the terminating party specifying in detail and substantiating with written documentation such material breach or failure to cure prior to termination under this Paragraph 5.0 (Termination for Default), or, in the case of a non-financial breach only, such longer period as may reasonably be required for the party in breach/default to complete its cure, but in no event shall the period, as extended, exceed ninety (90) days), provided that nothing in this Subparagraph 5.1 shall in any way limit or modify any rights of a party or obligations of a party relating to timely performance as otherwise set forth in the Agreement.

5.2 Deemed Termination for Convenience

If, after County has given written notice of termination under the provisions of this Paragraph 5.0 (Termination for Default), it is determined by County or otherwise that Contractor was not in default under the provisions of this Paragraph 5.0 (Termination for Default), or that the default was excusable or curable under the provisions of this Paragraph 5.0 (Termination for Default), the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to Paragraph 6.0 (Termination for Convenience) of this Exhibit except that no additional notice shall be required to effect such termination.

5.3 Completion of Work

Without limiting any of County's rights and remedies pursuant to the Agreement, upon the occurrence of any event giving rise to County's rights to terminate the Agreement, in whole or in part, pursuant to this Paragraph 5.0 (Termination for Default), County may, in lieu of such termination and upon prior written notice of its election to do so, (a) perform, or cause the performance of, any required correction, remedy and deficiency, replace any non-complying Work, or take any other such action as may be reasonably required to promptly remedy such default, and (b) debit Contractor therefore at County's direct actual cost of outside labor and materials and County's burdened (including salary, employee benefits and reimbursement policies) rates for labor. Such debit shall be made against any amounts owed by County to Contractor under the Agreement. In the event County elects to proceed under this Subparagraph 5.3 (Completion of

Work), any Work created, modified, or repaired by or at the direction of County shall be deemed Work under the Agreement.

6.0 TERMINATION FOR CONVENIENCE

6.1 Termination for Convenience.

The Agreement may be terminated, in whole or in part from time to time, by County in its sole discretion for any reason. Termination of Work hereunder shall be effected by delivery to Contractor of a written notice of termination specifying the extent to which performance of Work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective shall be no less than thirty (30) days after written notice.

6.2 No Prejudice

Nothing in this Paragraph 6.0 (Termination for Convenience) is deemed to prejudice any right of Contractor to make a claim against the County in accordance with this Agreement and applicable law and County procedures for payment for Work through the effective date of termination.

7.0 TERMINATION FOR IMPROPER CONSIDERATION

- 7.1 County may, upon written notice to Contractor, immediately terminate the right of Contractor to proceed under the Agreement if it is found that consideration, in any form, was offered or given by Contractor, either directly or through an intermediary, to any County officer, employee or agent with the intent of securing the Agreement or securing favorable treatment with respect to the award, amendment or extension of the Agreement or the making of any determinations with respect to Contractor's performance pursuant to the Agreement. In the event of such termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.
- 7.2 Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to County Auditor-Controller's employee fraud hotline at (800) 544-6861.
- 7.3 Among other items, such improper consideration may take the form of cash, discounts, service, the provision of travel or entertainment, or tangible gifts.

8.0 TERMINATION FOR GRATUITIES

County may, by notice to Contractor, terminate the right of Contractor to proceed under the Agreement upon one (1) calendar day's written notice, if it is found that gratuities in the form of entertainment, gifts, or otherwise were offered or given by Contractor, or any agent or representative of Contractor, to any officer, employee, or agent of County with a view toward securing a contract or securing favorable treatment with respect to the

awarding or amending, or the making of any determinations with respect to the performing, of such contract. In the event of such termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.

9.0 EFFECT OF TERMINATION

9.1 Remedies

In the event that County terminates the Agreement in whole or in part as provided in Paragraph 4.0 (Termination for Insolvency), Paragraph 5.0 (Termination for Default), Paragraph 6.0 (Termination for Convenience), Paragraph 7.0 (Termination for Improper Consideration), or Paragraph 8.0 (Termination for Gratuities), in each case, of this Exhibit, then:

- 9.1.1 Contractor shall (a) stop performing Work under the Agreement on the date and to the extent specified in such written notice, (b) promptly transfer and deliver to County copies of all completed Work and Work that is in process, in a media reasonably requested by County and reasonably acceptable to Contractor, (c) promptly transfer and deliver all items previously paid for by County, and (d) complete performance of such part of the Work as shall not have been terminated by such notice;

Unless County has terminated the Agreement pursuant to Paragraph 6.0 (Termination for Convenience) of this Exhibit, County shall have the right to procure, upon prior written notice and upon such terms and in such a manner as County may, in its sole but commercially reasonable discretion, determine appropriate, goods, services, and other Work, substantially similar and at least equally competitive in price to those so terminated, and Contractor shall be liable to County for, and shall promptly pay to County by cash payment, any and all excess costs reasonably incurred by County, as determined by County in its sole but commercially reasonable discretion, to procure and furnish such substantially similar goods, services, and other Work. In connection with the County procuring such substantially similar goods, services and/or other Work pursuant to this Subparagraph, County shall provide to the Contractor Project Director, on request by the Contractor Project Director, documentation that reasonably details the source and amount of the costs and expenses the County purports to have procured under this Subsection.

- 9.1.2 Intentionally omitted;

- 9.1.3 Contractor shall promptly return to County any and all of County's confidential information that relates to that portion of the Agreement or Work terminated by County;

- 9.1.4 Contractor shall tender promptly payment to County, and shall continue to tender payment for the duration, of any liquidated damages levied

pursuant to Paragraph 11.0 (Liquidated Damages), of the Agreement, to the extent applicable;

- 9.1.5 Contractor and County shall continue the performance of the Agreement to the extent not otherwise terminated.

9.2 Transition Services

Contractor agrees that in the event of any termination of the Agreement, as a result of the breach hereof by either party, or for any other reason, including expiration, Contractor shall fully cooperate with County at County's sole expense in the transition by County to a new Contractor, toward the end that there be no interruption of the Department's day to day operations due to the unavailability of the Work during such transition. Contractor agrees that if County terminates the Agreement pursuant to Subparagraph 5.2 (Deemed Termination for Convenience) and Paragraph 6.0 (Termination for Convenience) of this Exhibit A, Contractor shall perform transition services, and shall invoice County for such transition services determined in accordance with the rates specified in Exhibit C (Price Schedule) of the Agreement, in accordance with a transition plan to be agreed upon, in advance, by the County Project Director and the Contractor Project Director. In connection with the provision of any transition services pursuant to this Subparagraph 9.2 (Transition Services), Contractor shall provide to the County Project Director, on request by the County Project Director, documentation that reasonably details the source and amount of the expenses Contractor purports to have incurred in the provision of such transition services.

9.3 Remedies Not Exclusive

The rights and remedies of the parties set forth in this Paragraph 9.0 (Effect of Termination) are not exclusive of any other rights and remedies available to the parties at law or in equity, or under the Agreement.

10.0 WARRANTY AGAINST CONTINGENT FEES

- 10.1 Contractor warrants that no person or selling agency has been employed or retained to solicit or secure the Agreement upon any agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by Contractor for the purpose of securing business.
- 10.2 For breach of this warranty, County shall have the right to terminate the Agreement and, in its discretion, deduct from the Agreement price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

11.0 AUTHORIZATION WARRANTY

Contractor and the person executing the Agreement on behalf of Contractor hereby represent and warrant that the person executing the Agreement for Contractor is an authorized agent who has actual authority to bind Contractor to each and every term, condition, and obligation of the Agreement and that all requirements of Contractor have been fulfilled to provide such actual authority.

12.0 FURTHER WARRANTIES

Contractor represents, warrants and further covenants and agrees to the following:

- 12.1 Contractor bears the full risk of loss due to total or partial destruction of all or any part of any goods acquired from Contractor, as applicable, until reasonable acceptance by the County, except to the extent that such total or partial destruction arises in whole or in part from, or is in any way related to, the intentional or negligent act or omission of County.

The County shall fully cooperate with Contractor in the defense of any claims and provide timely responses to any requests made by Contractor that pertains to claims.

13.2 General Insurance Requirements

and

- (v) Identify any deductibles or self-insured retentions for County's approval. County may require Contractor to provide a bond guaranteeing payment of all such retained losses and related costs, including expenses or fees, or both, related to investigations, claims administrations, and legal defense. Such bond shall be executed by a corporate surety licensed to transact business in the state of California.

13.2.2 Insurer Financial Ratings

Insurance is to be provided by an insurance company acceptable to County with an A.M. Best rating of not less than A:VII, unless otherwise approved by County's Risk Manager.

5. Without limiting the rights and remedies available to County under any other provision of the Agreement or at law or in equity, failure to cure such default within ninety (90) days of notice by the CSSD shall be grounds upon which County may terminate this Agreement pursuant to Paragraph 5.0 (Termination for Default) of this Exhibit and pursue debarment of Contractor, pursuant to County Code Chapter 2.202.

The policy may provide that employees deposit any fees received for such jury service with Contractor or that Contractor deduct from the employees' regular pay the fees received for jury service.

33.2.2 For purposes of this Paragraph 33.0 (Compliance with Jury Service Program), "Contractor" means a person, partnership, corporation or other entity which has a contract with County or a subcontract with a County contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts. "Employee" means any California resident who is a full time employee of Contractor. If Contractor uses any subcontractor to perform services for County under the Agreement, the subcontractor shall also be subject to the provisions of this Paragraph 33.0 (Compliance with Jury Service Program). The provisions of this Paragraph 33.0 (Compliance with Jury Service Program) shall be inserted into any such subcontract agreement and a copy of the Jury Service Program shall be attached to the agreement.

33.2.3 If Contractor is not required to comply with the Jury Service Program when the Agreement commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor shall immediately notify County if Contractor at any time either comes within the Jury Service Program's

definition of "Contractor" or if Contractor no longer qualifies for an exception to the Jury Service Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. County may also require, at any time during the Term and at its sole discretion, that Contractor demonstrate to County's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" or that Contractor continues to qualify for an exception to the Jury Service Program.

33.2.4 Contractor's violation of this Paragraph 33.0 (Compliance with Jury Service Program) of this Exhibit may constitute a default of the Agreement. In the event of such default, County may, in its sole discretion, terminate the Agreement or bar Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach.

34.0 BACKGROUND AND SECURITY INVESTIGATIONS

Background and security investigations of Contractor's staff may be required at the discretion of the County as a condition of beginning and continuing work under the Agreement. - 37.2 If Contractor fails to make timely repairs, County may make any necessary repairs. All reasonable and documented costs incurred by County, for such repairs shall be repaid by Contractor by cash payment within sixty (60) days of demand.

For purposes of this Subparagraph 40.1, County consent shall require a written amendment to the Agreement, which is formally approved and executed by the parties, and which may be executed by the Sheriff on behalf of the County with the written concurrence of the County Counsel.
- 40.2 Shareholders, partners, members, or other equity holders of Contractor may transfer, sell, exchange, assign, or divest themselves of any interest they may have therein. However, in the event any such sale, transfer, exchange, assignment, or divestment is effected in such a way as to give majority control of Contractor to any person, corporation, partnership, or legal entity other than the majority controlling interest therein at the time of execution of the Agreement,

such disposition is an assignment requiring the prior written consent of County in accordance with Subparagraph 40.1 of this Exhibit.

41.0 INDEPENDENT CONTRACTOR STATUS

- 41.1 The Agreement is by and between County and Contractor and is not intended, and shall not be construed, to create the relationship of agent, servant, employee, partnership, joint venture, or association, as between County and Contractor. The employees and agents of one party shall not be, or be construed to be, the employees or agents of the other party for any purpose whatsoever. Contractor shall function as, and in all respects is, an independent Contractor.
- 41.2 A party shall have no liability or responsibility for the payment of any salaries, wages, unemployment benefits, disability benefits, Federal, State, or local taxes, or other compensation, benefits, or taxes for any personnel provided by or on behalf of the other party.
- 41.3 Contractor understands and agrees that all persons performing Work pursuant to the Agreement are, for purposes of workers' compensation liability, the sole employees of Contractor and not employees of County. Should the examination and audit be performed by a non-County entity or should a non-County entity be requested by County to review information received pursuant to an audit or examination under this Paragraph 42.0 (Records and Audits), Contractor may require the non-County examiner or auditor, as the case may be, to execute a nondisclosure contract prior to any disclosure. The nondisclosure Contract shall limit the non-County entity's use of information received or reviewed in connection with the examination and audit to work performed specifically for the benefit of County. All such material, including

all financial records, time cards and other employment records, shall be kept and maintained by Contractor and shall be made available to County during the Term and for a period of one (1) year thereafter unless County's written permission is given to dispose of any such material prior to such time. .

- 42.2 If an audit is conducted of Contractor specifically regarding the Agreement by any Federal or State auditor, then Contractor shall file a copy of such audit report with County's Auditor Controller and the County Project Director within thirty (30) days of Contractor's receipt thereof provided Contractor is provided with a copy of such report by the Federal or State auditor, unless otherwise provided by applicable federal or state law or under the Agreement.
- 42.3 If, at any time during or after the Term, representatives of County conduct an audit of Contractor, as and to the extent permitted hereunder, regarding the Work performed under the Agreement, the results of such audit, including any final determination in respect of an underpayment or overpayment, if any by County under the Agreement, shall be provided in writing to Contractor. Contractor shall have thirty (30) days to review the findings contained in such audit and notify County of any objection to the same. Such notice must include, in reasonable detail, the basis for Contractor's objection and any supporting documentation and analysis for Contractor's objection. If the parties cannot agree, within fifteen (15) days of receipt of Contractor's objection to the findings contained in County's audit, on the amount of underpayment or overpayment, if any, by County to Contractor hereunder, then either party may submit such matter to the Dispute Resolution Procedure, provided such matter shall be submitted initially, directly to the County Project Director and the Contractor Project Director. If Contractor fails to notify County of any objection it has to the findings of County's audit within the thirty (30) day period set forth above, Contractor waives any right to object to the findings of such audit, including any determination of overpayment by County. If such audit, whether initially following a waiver by Contractor of its right of objection or upon final determination pursuant to the Dispute Resolution Procedure, finds that County's dollar liability for any such Work is less than payments made by County to Contractor, then the difference, together with County's reasonable costs of audit except where the overpayment is due to County's own mistake or negligence, shall be repaid by Contractor to County by cash payment within thirty (30) days after the audit results become final. If such audit finds that County's dollar liability for such Work is more than the payments made by County to Contractor, then the difference shall be paid to Contractor by County, but in no event shall County's payments to Contractor exceed the Maximum Contract Sum.

43.0 LICENSES, PERMITS, REGISTRATIONS, ACCREDITATION, AND CERTIFICATES

Contractor shall obtain and maintain in effect during the Term all licenses, permits, registrations, accreditation, and certificates required by all Federal, State, and local laws, ordinances, rules, and regulations, which are applicable to Contractor's services under the Agreement. Contractor shall further ensure that all of its officers, employees,

and agents who perform services hereunder, shall obtain and maintain in effect during the Term all licenses, permits, registrations, accreditation, and certificates which are applicable to their performance hereunder. If and to the extent requested by County, Contractor shall provide copy of each such license, permit, registration, accreditation, and certificate, in duplicate, to Karen Anderson, Manager, Sheriff's Department Contracts Administration, 4700 Ramona Boulevard, Monterey Park, CA 91754-2169.

44.0 NO THIRD PARTY BENEFICIARIES

Notwithstanding any other provision of the Agreement, Contractor and County do not in any way intend that any person or entity shall acquire any rights as a third party beneficiary of the Agreement, except that this Paragraph 44.0 (No Third Party Beneficiaries) shall not be construed to diminish Contractor's indemnification obligations hereunder.

45.0 MOST FAVORED PUBLIC ENTITY

If Contractor's prices decline, or should Contractor, at any time during the Term, provide the same goods and substantially similar services, taking into account substantially similar comparisons of like terms and conditions (including, without limitation, similar quantity, purchase volume, length of term, payment terms, rebates, service offered at a discount, shared savings opportunities, number and frequency of deliveries, number, size and location of facilities serviced, and other applicable terms and conditions) to the State of California or any county, municipality, public agency, or district within California at prices below those set forth in the Agreement, then such lower prices shall be extended immediately to County.

46.0 COUNTY'S QUALITY ASSURANCE PLAN

County or its agent will evaluate Contractor's performance under the Agreement on not less than an annual basis. Such evaluation will include assessing Contractor's compliance with the terms and performance standards of the Agreement. Contractor deficiencies which County determines are severe or continuing and that may place performance of the Agreement in jeopardy if not corrected will be reported to the Board. The report will include improvement and corrective action measures taken by County and Contractor. If, following due cure and notice periods for any specified material breach, improvement does not occur consistent with the corrective action measures, County may terminate the Agreement or impose other penalties as specified in the Agreement.

47.0 CONSIDERATION OF HIRING COUNTY EMPLOYEES TARGETED FOR LAYOFF/OR RE-EMPLOYMENT LIST

Should Contractor require personnel in addition to those employed by Contractor on the Effective Date to perform the services set forth herein, Contractor shall give consideration for such employment openings to qualified, permanent County employees who are targeted for layoff or qualified, former County employees who are on a re-employment list during the life of this Agreement. For this purpose, consideration shall

mean that Contractor will interview qualified candidates. Prior to consideration being given by Contractor, County will refer such County employees by job category to Contractor. The above obligations do not apply to positions filled by: (a) third parties who have subcontracted with Contractor to perform the services, or (b) Contractor's current employees.

48.0 CONTRACTOR TO NOTIFY COUNTY WHEN IT HAS REACHED 75% OF MAXIMUM CONTRACT SUM (UNDER CONTRACT SUM PROVISION)

Contractor shall maintain a system of record keeping that will allow Contractor to determine when it has incurred seventy-five percent (75%) of the Maximum Contract Sum. Upon occurrence of this event, Contractor shall send written notification to the County Project Director and the County Project Manager.

49.0 NO PAYMENT FOR SERVICES PROVIDED FOLLOWING EXPIRATION OR TERMINATION OF CONTRACT

Contractor shall have no claim against County for payment of any money or reimbursement, of any kind whatsoever, for any service provided by Contractor under the Agreement, after the expiration or other termination of this Agreement. Should Contractor receive any such payment for service rendered after the expiration or termination of this Agreement, it shall immediately notify County and shall immediately repay all such funds to County. Payment by County for services rendered after expiration or termination of this Agreement shall not constitute a waiver of County's right to recover such payment from Contractor. This provision shall survive the expiration or other termination of this Agreement.

50.0 SAFELY SURRENDERED BABY LAW

50.1 Notice to Employees

Contractor shall notify and provide to its employees residing in or working in the State of California, and shall require each subcontractor performing Work under this Agreement to notify and provide to its employees residing in or working in the State of California, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby. The fact sheet is available on the Internet at www.babysafela.org for printing purposes.

50.2 Contractor's Acknowledgement of County's Commitment to the Safely Surrendered Baby Law

Contractor acknowledges that County places a high priority on the implementation of the Safely Surrendered Baby Law. Contractor understands that it is County's policy to encourage all County Contractors to voluntarily post County's "Safely Surrendered Baby Law" poster in a prominent position at Contractor's place of business. Contractor will also encourage its subcontractors, if any, to post this poster in a prominent position in the

subcontractor's place of business. County's Department of Children and Family Services will supply Contractor with the poster to be used.

51.0 WAIVER

No waiver by a party of any breach of any provision of the Agreement shall constitute a waiver of any other breach or of such provision. Failure of a party to enforce at any time, or from time to time, any provision of the Agreement shall not be construed as a waiver thereof. The rights and remedies set forth in the Agreement shall not be exclusive and are in addition to any other rights and remedies provided at law or in equity, or under the Agreement.

52.0 GOVERNING LAW, JURISDICTION, AND VENUE

The Agreement shall be governed by, and construed in accordance with, the substantive and procedural laws of the State of California applicable to contracts made and to be performed within that state. Contractor agrees and consents to the exclusive jurisdiction of the courts of the State of California (except with respect to claims that are subject to exclusive Federal subject matter jurisdiction, as to which Contractor agrees and consents to the exclusive jurisdiction of the United States District Court of the Central District of California) for all purposes regarding the Agreement and further agrees and consents that venue of any action brought hereunder shall be exclusively in the Central District of the Superior Court for the County of Los Angeles, California.

53.0 SEVERABILITY

If any provision of the Agreement is adjudged void or invalid for any reason whatsoever, but would be valid if part of the wording thereof were deleted or changed, then such provision shall apply with such modifications as may be necessary to make it valid and effective. In the event that one or more of the provisions of the Agreement is found to be invalid, illegal or unenforceable in any respect, such provision shall be deleted here from and the validity, legality, and enforceability of the remaining provisions contained herein shall not in any way be affected or impaired thereby, unless the Agreement fails of its essential purpose because of such deletion.

54.0 RIGHTS AND REMEDIES

The rights and remedies of either party provided in any given Paragraph, as well as throughout the Agreement, including throughout this Exhibit, are non-exclusive and cumulative with any and all other rights and remedies under this Agreement, at law, or in equity.

55.0 FACSIMILE

Except for the parties initial signatures to the Agreement, which must be provided in "original" form, and not by facsimile, County and Contractor hereby agree to regard facsimile representations of original signatures of authorized officials of each party, when appearing in appropriate places on change notices or in other correspondence,

notices, etc. requiring signatures, and received via communications facilities, as legally sufficient evidence that such original signatures have been affixed thereto, such that the parties need not follow up facsimile transmissions of such documents with subsequent (non-facsimile) transmission of "original" versions of such documents.

County will pay the Contractor at the preferred rates listed in Attachment 1 of this Exhibit B for all work expended investigating, correcting a malfunction or repairing the System, including the cost of any necessary replacement part(s) at cost plus ten percent (10%), that the Contractor reasonably determines to have been caused by: (a) any software (other than the licensed Software); (b) any misuse of the System; (c) any modification of the System by anyone other than the Contractor or as

authorized by the Contractor; or (d) any Excluded Event or Excluded Item as described in Subparagraph 6.2 (Service Exclusions) herein below.

6.2 Service Exclusions

6.2.2 In addition, the Services and the Service Fee do not include (i) furnishing any consumable item including, but not limited to, batteries, fuses, lamps, hoses, tubing, filters, disconnect fittings, cutting knives, printer ribbons, packing film or paper, and other similar disposable supplies; (ii) painting, refinishing or refurbishing the System or furnishing materials therefore; (iii) adding, removing or maintaining accessories, attachments or other devices; (iv) servicing any items other than the Equipment or Software; or (v) training of County personnel (collectively, "Excluded Items").

Contractor shall give prior notification to the County Project Manager that its service personnel can provide the repair services within four (4) hours of receiving the request for emergency repair services at the County Facility. If repair services commence prior to 5:00 p.m., Monday through Friday, but extend beyond 5:00 p.m., County will incur no additional service charges. If repair services are required after 5:00 p.m., Monday through Friday, or on weekends or holidays, such services shall be billed to County at the Contractor's preferred rates listed in Attachment 1 of this Exhibit B.

6.4 Breakage and/or Loss

Contractor shall replace and/or repair at the time of servicing any System and/or parts thereof which suffer breakage, damage or loss at the time of

servicing or repair, which is caused by the negligence or willful misconduct of Contractor, and to the extent thereof, at no additional cost to County.

6.5 Rework

Contractor shall rework improperly repaired System, correct any damage resulting there from, and supply all necessary parts and materials, at no additional cost to County. Such service report(s) shall 1) meet all licensing, accrediting and regulatory agency requirements, 2) clearly identify the System serviced by model number, serial number or County number (if available), 3) include an itemization and description of services performed, 4) list any parts installed, 5) include the service date(s), and 6) give the name of the service technician who performed the service. A copy of such service report shall be provided to the County's Project Manager at the time it is performed.

6.7 Software Updates and Enhancements

The Contractor may, from time to time, modify, upgrade or enhance the Software for the purpose of allowing the System to perform new or different function, or to increase the capacity of the Software to process information. Any modification, upgrade or enhancement that the Contractor makes generally available to all end users will be made

available at the same time to County. The Contractor reserves the right to require payment of an additional commercially reasonable fee if substantial additional functions are added to the Software, or the modification, upgrade or enhancement results in substantially improved performance of the Software or the System. If payment will be required for the additional functions, costs shall be added by Amendment.

In order to satisfy any obligation hereunder, the Contractor may, at its option, send County a single copy of any modification, upgrade, enhancement, error correction, bug fix, or release to the Software, together with instructions for County's installation and implementation thereof.

7. DISPOSABLES AND SERVICE

Because of the exacting operations necessary for the System to properly function and the Service coverage provided under this Agreement (i) only those disposable materials authorized by the Contractor (collectively "Authorized Disposables") shall be used in the System, and (ii) only the Contractor's service personnel, the Contractor approved third-party service providers, or employees of County who have received maintenance/training (hereinafter all collectively "Authorized Service Providers") shall service the System. In addition to any other remedy, the Contractor may have under this Agreement or otherwise, all Services provided under this Agreement or otherwise shall automatically terminate upon the occurrence of County's use of disposables other than Authorized Disposables or County's use of service providers other than Authorized Service Providers. Without limiting the generality of the foregoing, the termination of the Contractor's obligations and duties shall be full and complete and shall extend not only to any defects or damages resulting from the County's use of any such non-authorized disposables, or non-authorized service providers, but also to any defects or damages of any kind resulting to any other

elements or operations of the System occurring after the first use of the non-authorized disposables or non-authorized service providers, whichever occurs first.

8. ADDITIONAL SYSTEM SERVICES

Upon County's request, Contractor will add additional Systems covered under warranty, as such warranty expires. Any adjustments under this Paragraph shall be based on the rates, by type of the System as listed in Attachment 1 of this Exhibit B. In the event the System being added is not listed in Attachment 1 of this Exhibit B, the maintenance and repair rates for that System shall be the rates paid by County under the warranty or extended warranty or a rate agreed to by both County and Contractor and costs added by Amendment.

9. SERVICE WARRANTY; REMEDIES; LIMITATIONS OF LIABILITY.

A. Contractor warrants, solely for the benefit of County, that Contractor will perform the Services in a professional and workmanlike manner. Contractor's sole responsibility under this warranty shall be, at Contractor's option, to either repair or replace the System or portion thereof that fails to comply with this warranty. The foregoing limited warranty, as it relates to equipment maintenance, repair and support services, is exclusive and in lieu of all other warranties, express or implied, including but not limited to any implied warranty of merchantability, fitness for a particular purpose, or intellectual property infringement. Without limiting the generality of the foregoing, such warranty shall not be enlarged, diminished or otherwise affected by the rendering of technical or other advice or service by contractor in connection with the system or any implied warranty arising out of course of dealing, by statute or by performance, custom or usage of trade.

B. Contractor shall under no circumstances be liable for special punitive,

exemplary, consequential or incidental damages including, but not limited to, labor costs, lost profits, cost of capital, claims of County for service interruptions or failure of supply or from the use of or inability to use the system. These limitations shall apply notwithstanding any failure of essential purpose of any limited remedy.

C. This exclusive limited warranty set forth herein, as it relates to equipment maintenance, repair and support services, may not be assigned or transferred by County without Contractor's prior written consent.

"CONTRACTOR'S OBLIGATION AS A BUSINESS ASSOCIATE UNDER THE HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT OF 1996: Under this Agreement, Contractor ("Business Associate") provides services ("Services") to County ("Covered Entity") and Business Associate receives, has access to, or creates Protected Health Information in order to provide those Services. Covered Entity is subject to the Administrative Simplification requirements of the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"), and regulations promulgated thereunder, including the Standards for Privacy of Individually Identifiable Health Information ("the Privacy Regulations") and the Health Insurance Reform: Security Standards ("the Security Regulations") at 45 Code of Federal Regulations Parts 160 and 164 ("together, the "Privacy and Security Regulations").

The Privacy and Security Regulations require Covered Entity to enter into a contract with Business Associate in order to mandate certain protections for the privacy and security of Protected Health Information, and those Regulations prohibit the disclosure to or use of Protected Health Information by Business Associate if such a contract is not in place.

Therefore, the parties agree as follows:

DEFINITIONS

1.1 "Disclose" or "Disclosure" means, with respect to Protected Health Information, the release, transfer, provision of access to, or divulging in any other manner of Protected Health Information outside Business Associate's internal operations or to other than its employees, representatives, subcontractors and agents.

1.2 "Electronic Media" has the same meaning as the term "electronic media" in 45 C.F.R. § 160.103. Electronic Media means (1) Electronic storage media including memory devices in computers (hard drives) and any removable/transportable digital memory medium, such as magnetic tape or disk, optical disk, or digital memory card; or (2) Transmission media used to exchange information already in electronic storage media. Transmission media include, for example, the internet (wide-open), extranet (using internet technology to link a business with information accessible only to collaborating parties), leased lines, dial-up lines, private networks, and the physical movement of removable/transportable electronic storage media. Certain transmissions, including of paper, via facsimile, and of voice, via telephone, are not considered to be transmissions via electronic media, because the information being exchanged did not exist in electronic form before the transmission.

1.3 "Electronic Protected Health Information" has the same meaning as the term "electronic protected health information" in 45 C.F.R. § 160.103.

Electronic Protected Health Information means Protected Health Information that is (i) transmitted by electronic media; (ii) maintained in electronic media.

1.4 "Individual" means the person who is the subject of Protected Health Information and shall include a person who qualifies as a personal representative in accordance with 45 C.F.R. § 164.502(g).

1.5 "Protected Health Information" has the same meaning as the term "protected health information" in 45 C.F.R. § 160.103, limited to the information created or received by Business Associate from or on behalf of Covered Entity. Protected Health Information includes information, whether oral or recorded in any form or medium, that (i) relates to the past, present, or future physical or mental health or condition of an Individual; the provision of health care to an Individual, or the past, present or future payment for the provision of health care to an Individual; (ii) identifies the Individual (or for which there is a reasonable basis for believing that the information can be used to identify the Individual); and (iii) is received by Business Associate from or on behalf of Covered Entity, or is created by Business Associate, or is made accessible to Business Associate by Covered Entity. "Protected Health Information" includes Electronic Health Information.

1.6 "Required By Law" means a mandate contained in law that compels an entity to make a Use or Disclosure of Protected Health Information and that is enforceable in a court of law. Required by law includes, but is not limited to, court orders and court-ordered warrants; subpoenas or summons issued by a court,

grand jury, a governmental or tribal inspector general, or any administrative body authorized to require the production of information; a civil or an authorized investigative demand; Medicare conditions of participation with respect to health care providers participating in the program; and statutes or regulations that require the production of information, including statutes or regulations that require such information if payment is sought under a government program providing benefits.

1.7 "Security Incident" means the attempted or successful unauthorized access, Use, Disclosure, modification, or destruction of information in, or interference with system operations of, an Information System which contains Electronic Protected Health Information. However, Security Incident does not include attempts to access an Information System when those attempts are not reasonably considered by Business Associate to constitute an actual threat to the Information System.

1.8 "Services" has the same meaning as in the body of this Agreement.

1.9 "Use" or "Uses" means, with respect to Protected Health Information, the sharing, employment, application, utilization, examination or analysis of such Information within Business Associate's internal operations.

1.10 Terms used, but not otherwise defined in this Paragraph shall have the same meaning as those terms in the HIPAA Regulations.

OBLIGATIONS OF BUSINESS ASSOCIATE

2.1 Permitted Uses and Disclosures of Protected Health Information.

Business Associate:

(a) shall Use and Disclose Protected Health Information as necessary to perform the Services, and as provided in Sections 2.3, 2.4, 2.5, 2.6, 2.7, 2.8, 4.3 and 5.2 of this Agreement;

(b) shall Disclose Protected Health Information to Covered Entity upon request;

(c) may, as necessary for the proper management and administration of its business or to carry out its legal responsibilities:

(i) Use Protected Health Information; and

(ii) Disclose Protected Health Information if the Disclosure is Required by Law.

(d) De-identify, or have a third party de-identify, any and all Protected Health Information provided that the de-identification conforms to the requirements of 45 C.F.R. Section 164.514 (b), and further provided that the Covered Entity maintains the documentation required by 45 C.F.R. Section 164.514 (b) which may be in the form of a written assurance from the Business Associate. Pursuant to 45 C.F.R. Section 164.502 (d) (2), de-identified information does not constitute Protected Health Information and is not subject to the terms of this Exhibit C.

Business Associate shall not Use or Disclose Protected Health Information for any other purpose.

2.2 Adequate Safeguards for Protected Health Information. Business Associate:

(a) shall implement and maintain appropriate safeguards to prevent the Use or Disclosure of Protected Health Information in any manner other than as permitted by this Exhibit C. Business Associate agrees to limit the Use and Disclosure of Protected Health Information to the minimum necessary in accordance with the Privacy Regulation's minimum necessary standard.

(b) effective as of April 20, 2005, specifically as to Electronic Health Information, shall implement and maintain administrative, physical, and technical safeguards that reasonably and appropriately protect the confidentiality, integrity, and availability of Electronic Protected Health Information.

2.3 Reporting Non-Permitted Use or Disclosure and Security Incidents. Business Associate shall report to Covered Entity each Use or Disclosure that is made by Business Associate, its employees, representatives, agents or subcontractors which is not specifically permitted by this Agreement, and effective as of April 20, 2005, shall report to Covered Entity each Security Incident of which Business Associate becomes aware; provided, however, that trivial attempts to penetrate Business Associate's system that occur on a routine basis, such as scans, "pings" or unsuccessful attempts to penetrate computer networks or

services maintained by Business Associate, will not be reported. The initial report shall be made by telephone call to the Department of Mental Health's Privacy Officer, telephone number 1(213) 738-4864 within forty-eight (48) hours from the time the Business Associate becomes aware of the non-permitted Use or Disclosure or Security Incident, followed by a full written report no later than ten (10) business days from the date the Business Associate becomes aware of the non-permitted Use or Disclosure or Security Incident to the Chief Privacy Officer at:

Chief Privacy Officer, County of Los Angeles
Kenneth Hahn Hall of Administration
500 West Temple ST.
Suite 525
Los Angeles, CA 90012

2.4 Mitigation of Harmful Effect. Business Associate agrees to mitigate, to the extent practicable, any harmful effect that is known to Business Associate of a Use or Disclosure of Protected Health Information by Business Associate in violation of the requirements of this Paragraph.

2.5 Availability of Internal Practices, Books and Records to Government Agencies. Business Associate agrees to make its internal practices, books, and records relating to the Use and Disclosure of Protected Health Information available to the Secretary of the federal Department of Health and Human Services for purposes of determining Covered Entity's compliance with the Privacy and Security Regulations, subject to attorney-client and other applicable legal privileges.

Business Associate shall immediately notify Covered Entity of any requests made by the Secretary and provide Covered Entity with copies of any documents produced in response to such request.

2.6 Access to Protected Health Information. Business Associate shall, to the extent Covered Entity determines that any Protected Health Information constitutes a "designated record set" as defined by 45 C.F.R. § 164.501, make the Protected Health Information specified by Covered Entity available to the Individual(s) identified by Covered Entity as being entitled to access and copy that Protected Health Information. Business Associate shall, during normal business hours at Business Associate's office, provide such access for inspection of that Protected Health Information within ten (10) business days after receipt of a written request from Covered Entity. Business Associate shall provide copies of that Protected Health Information within ten (10) business days after receipt of a written request from Covered Entity.

2.7 Amendment of Protected Health Information. Business Associate shall, to the extent Covered Entity determines that any Protected Health Information constitutes a "designated record set" as defined by 45 C.F.R. § 164.501, make any amendments to Protected Health Information that are requested by Covered Entity. Business Associate shall make such amendment within ten (10) business days after receipt of a written request from Covered Entity in order for Covered Entity to meet the requirements under 45 C.F.R. § 164.526.

2.8 Accounting of Disclosures. Business Associate agrees to maintain documentation of the information required to provide an accounting of Disclosures of Protected Health Information in accordance with 45 C.F.R. § 164.528, and to make this information available to Covered Entity within ten (10) business days of Covered Entity's written request, in order to allow Covered Entity to respond to an Individual's request for accounting of disclosures. However, Business Associate is not required to provide an accounting of Disclosures that are necessary to perform its Services if such Disclosures are for either payment or health care operations purposes, or both. Additionally, such accounting is limited to disclosures that were made in the six (6) years prior to the request (not including disclosures that were made prior to the compliance date of the Privacy Rule, April 14, 2003) and shall be provided for as long as Business Associate maintains the Protected Health Information.

Any accounting provided by Business Associate under this Section 2.8 shall include: (a) the date of the Disclosure; (b) the name, and address if known, of the entity or person who received the Protected Health Information; (c) a brief description of the Protected Health Information disclosed; and (d) a brief statement of the purpose of the Disclosure. For each Disclosure that could require an accounting under this Section 2.8, Business Associate shall document the information specified in (a) through (d), above, and shall securely maintain the information for six (6) years from the date of the Disclosure. Business Associate

shall provide to Covered Entity, within ten (10) business days after receipt of a written request from Covered Entity, information collected in accordance with this Section 2.8 to permit Covered Entity to respond to a request by an Individual for an accounting of disclosures of Protected Health Information in accordance with 45 C.F.R. § 164.528.

OBLIGATION OF COVERED ENTITY

3.1 Obligation of Covered Entity. Covered Entity shall notify Business Associate in writing of any current or future restrictions or limitations on the use of Protected Health Information that would affect Business Associate's performance of the Services, and Business Associate shall, within a commercially reasonable period thereafter, restrict or limit its own uses and disclosures accordingly.

TERM AND TERMINATION

4.1 Term. The term of this Paragraph shall be the same as the term of this Agreement. Business Associate's obligations under Sections 2.1 (as modified by Section 4.2), 2.3, 2.4, 2.5, 2.6, 2.7, 2.8, 4.3 and 5.2 shall survive the termination or expiration of this Agreement.

4.2 Termination for Cause. In addition to and notwithstanding the termination provisions set forth in this Agreement, upon Covered Entity's knowledge of a material breach by Business Associate, Covered Entity shall either:

(a) Provide Business Associate with written notice of, and a detailed

description of, the material breach, as well as an opportunity for Business

Associate to cure the breach or end the violation within a reasonable period of time, and terminate this Agreement if Business Associate does not cure the breach or end the violation within the reasonable time specified by Covered Entity;

(b) Immediately terminate this Agreement after providing written notice to Business Associate if Business Associate has breached a material term of this Paragraph and cure is not possible; or

(c) If neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary of the federal Department of Health and Human Services.

4.3 Disposition of Protected Health Information Upon Termination or Expiration.

(a) Except as provided in paragraph (b) of this section, within thirty (30) days upon termination for any reason or expiration of this Agreement, Business Associate shall return or destroy all Protected Health Information received from Covered Entity, or created or received by Business Associate on behalf of Covered Entity. This provision shall apply to Protected Health Information that is in the possession of subcontractors or agents of Business Associate. Business Associate shall retain no copies of the Protected Health Information.

(b) In the event that Business Associate determines that returning or destroying the Protected Health Information is infeasible, Business Associate shall provide to Covered Entity notification of the conditions that make it infeasible. If

return or destruction is infeasible, Business Associate shall use commercially reasonable efforts to extend the protections of this Agreement to such Protected Health Information and limit further Uses and Disclosures of such Protected Health Information to those purposes that make the return or destruction infeasible, for so long as Business Associate maintains such Protected Health Information.

MISCELLANEOUS

5.1 No Third Party Beneficiaries. Nothing in this Exhibit C shall confer upon any person other than the parties and their respective successors or assigns, any rights, remedies, obligations, or liabilities whatsoever.

5.2 Use of Subcontractors and Agents. Business Associate shall require each of its agents and subcontractors that receive Protected Health Information from Business Associate, or create Protected Health Information for Business Associate, on behalf of Covered Entity, to execute a written agreement obligating the agent or subcontractor to comply with substantially similar restrictions on the use and disclosure of Protected Health Information that apply to Business Associate pursuant to the terms of this Exhibit C.

5.3 Relationship to Services Agreement Provisions. In the event that a provision of this Exhibit C is contrary to another provision of this Agreement, the provision of this Exhibit C shall control. Otherwise, this Exhibit C shall be construed under, and in accordance with, the terms of this Agreement.

5.4 Regulatory References. A reference in this Exhibit C to a section in the Privacy or Security Regulations means the section as in effect or as amended.

5.5 Interpretation. Any ambiguity in this Exhibit C shall be resolved in favor of a meaning that permits Covered Entity to comply with the Privacy and Security Regulations.

5.6 Amendment. The parties agree to take such action as is necessary to amend this Exhibit C from time to time as is necessary for Covered Entity to comply with the requirements of the Privacy and Security Regulations.
